**14<sup>th</sup> March 2023**

Dear Ash Families,

This half term our topic is Ready Steady Grow! In celebration of this, we would like to take the children to The Makers Place in Ash where the children will participate in a rotation of activities to support their learning. They will walk around the small holding, meet Henry the horse and groom him, feed the chickens and sow some cress seeds to bring home. They will also weave their own headdress from willow and collect items to decorate it with and complete some spring craft.

Our trip is planned for Monday 27<sup>th</sup> March 2023. We will leave school around 9:30am and walk to The Makers Place and spend the morning there, returning in time for lunch. The children will need to bring welly boots and a warm coat. Please pack a change of uniform just in case we need to change when we get back. We will take our usual snack to have during the morning.

Parents are asked to make a voluntary contribution of £6.55. Please note, we can only run this visit if we receive sufficient funds to cover the cost. We request that payment is made via Parentpay by Wednesday 22<sup>nd</sup> of March 2023.

Should your child have any medical needs that may affect them during the visit, please let us know by adding this information to the slip below

Please be aware that our insurance policy only covers against proven or agreed negligence by the school and its employees. Parents and Carers may wish to make their own arrangements for personal accident cover for their child.

We will need some parents to accompany us on the day, if you can help, please let us know by filling in the section below.

Please return the form by Monday 20<sup>th</sup> March, many thanks for your continued support.

Miss Leslie
