Please note if you do wish your child to continue on to Late Bird club after their activity club has finished please continue to book and pay for the session as normal. They will be taken to Late Birds by an adult.

The first club session will be a taster. If your child continues into the second week we do have an expectation for them to continue for the remainder of the term. For any reason if your child does not wish to carry on or will be missing a week, they MUST let the member of staff taking the club know in advance.
