20<sup>th</sup> December 2018

Dear Parents

I wish to share with you the latest data which has been released by the government. The full details are published on our website along with information about the top ten performing schools in Somerset. These rankings are based on the data from the end of the summer term 2018.

We are delighted to be included in this group of schools coming sixth in the county.

I wish to congratulate the children for all of their hard work and thank the staff for their high quality teaching and to praise them for their continued dedication. I also wish to thank parents for their support ensuring that we work together to achieve good results.

I do wish to stress that performance data is only one way that a school should be judged. We pride ourselves on encouraging the all-round development of the children and value all of their achievements.

Here are the links you may be interested in following to see the data in more detail:

Thank you to everyone who came and helped make the Christmas Parties such a success. The PTA have worked hard this term to ensure that their activities have been such a success.

Best wishes for this festive season

Mrs Nicola Roberts
